SONGS OF THE SAVIOR: The Gift of Obedience

Songs of the Savior Christmas series offers videos that tell captivating stories and incorporate a musical element that can transition into a Christmas hymn, and the retelling of our Savior's birth.

You'll meet Mary and Elizabeth, who encounter the Joy to the World that God brings. Come alongside Joseph and his donkey as he prepares to make the hard journey to Bethlehem, concluding with Come Thou Long Expected Jesus. Join a shepherd who has been forever changed by the message he's been tasked to spread, but now must revive the faith in his friends and urge them to Come, All Ye Faithful. And walk with a group of far-traveling wise men as they ponder What Child Is This. Finally, bring the experience together under the beauty of the beloved nativity, and celebrate the arrival of the Christ child.

Did you know...

What is Christology?

"Christology" comes from two Greek words that translates to "the study of Christ." Christology is the study of the Person and work of Jesus Christ. There are many important questions that Christology answers:

1. Who is Jesus Christ? Most people believe that Jesus was a prophet, or a good teacher, or a godly man. However, Scripture tells us that Jesus was much more than those.
2. Is Jesus God? Did Jesus ever claim to be God? Jesus never said the exact words, "I am God." However, He made many other statements that proved that He is God.
3. What is the hypostatic union? How can Jesus be both God and man at the same time? Scripture teaches that Jesus is both fully human and fully divine. There is no mixture or dilution of either nature. Christ is one united Person, forever.
4. Why is the virgin birth so important? The virgin birth is important because it accounts for how the sin nature was not passed to Jesus allowing the eternal God to become a perfect man.
5. How is Jesus the Son of God? Jesus is not God's Son like we understand a father/son relationship. Jesus is God's Son because He's the human manifestation of God.

A Biblical understanding of Jesus Christ is crucial to our salvation. Many cults and world religions claim to believe in Jesus Christ but the problem is that they do not believe in the true Jesus Christ which Paul calls "another gospel." Christology is important because it shows us why Jesus is the atoning sacrifice for our sins. Christology teaches us that Jesus had to be man so that He could die, and He had to be God so that His death would pay for our sins. Thank God for His awesome and gracious plan of salvation through His Son Jesus Christ. – Pastor James
